VII. SCHOOL FEES

We most sincerely thank you for your prompt payment of school fees. This has continuously given support in running all school activities smoothly.

It is however important to note that our school fees policy states “full school fees should be settled in the first two weeks of each term”.

For any reasons contrary to the a forestated you must square out with the accounts office in advance to avoid involvement of the learner on matters to do with school fees.

For those with outstanding arrears of 2024 academic year, clear before the end of year assessment.

Examination cards are being issued to only learners who have NO outstanding balance.

This being the long holiday in the secular section, you are asked to keep a close monitoring of your child to ensure they spend their time well with the right people. will be issued during the academic clinic day for covering. Use transparent cover when covering.

NOTE: The amount for exercise books shall be invoiced together with term one school fees. The exact amount shall be communicated once we receive the new price list.

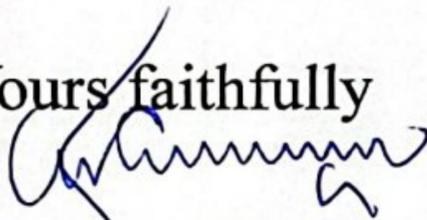

X. TEXTBOOKS

Our textbook programme has been very beneficial to the learners and teachers. However, it has challenged this time as all textbooks have been reviewed. We shall be forced to buy new textbooks in all levels. In that regard we shall restart the programme again by parents contributing 75% of the market price and school 25% as the old textbooks will be of no value anymore.

However, we will wait until the KICD communicates the approved rationalized textbooks to us.
